Civil Action

Now Comes Stacey R. Hunter, Plaintiff, respectfully brings suit against the defendants for their acts against her in the form of physical assault, mental abuse, cruel and unusual punishment, humiliation and defamation of character.

Facts In Support Of Civil Action

While being housed as a prisoner at facilities of the defendants listed above I was assaulted by officers (LNU) both physically and mentally as well as humiliated, abused and called names as explained in my memorandum of facts. (SeeAttachment A).

Injuries Incurred From Actions Of Defendants

What has followed my experience with the assaults and cruel treatment of me by the “Defendants” (LNU) was medical treatment, pain and daily suffering. I have nightmares, I can't sleep and I am living daily life of resentment, distrust and hurt as is further explained in my memorandum of facts at Attachment A.

Request For Counsel

Due to the complexity of the case at and and the fact that I am not schooled in the complicated field of law as well as due to my need of names, times and dates and other facts, I am requesting that an attorney be provided at no cost to me to assist me with filing relevant future pleading, obtaining defendant names and otherwise.

Hearing and Jury Trial Request

It is requested that I be allowed a general hearing in which I can be informed of the most effective procedure to obtain pre-trial documents and otherwise.

Respectfully submitted,
