Inmate Sullivan refused to cell in after returning from transfer. Deputy Harrington removed contraband from inmate Sullivan's cell door window. Inmate Sullivan began threatening Deputy Harrington and his family. These threats were totally unprovoked. Inmate Sullivan began threatening to kill Deputy Harrington and his family and began verbally disrespecting him. Inmate Sullivan had to be hobbled and uncuffed through the handcuff port.

Hi there,

I am conducting the disciplinary hearing for Inmate Cyrus Sullivan. Last week, May 2nd, Deputy Harrington wrote Sullivan up for Threats and Disrespect while returning him to 4E.
Can you please tell me what you saw/heard from Sullivan?

Thank you.
