<p>Summary:</p> <p>On 04/13/2018 at approximately 0645 hours, Inmate Sullivan, Cyrus was found with contraband in his sock upon chaining him up for transport out of the facility.</p> <p>Action Taken:</p> <p>On 04/13/2018 I was working as a uniformed Deputy at the Columbia County Sheriffs Office when I was chaining up Inmates for court transport. As I was apply chains to Inmate Sullivan I saw a lump under one of his socks.</p> <p>I asked Inmate Sullivan "What's that?" as I went to grab it out of his sock. Inmate Sullivan did not respond to me. After removing the object from Inmate Sullivan's sock it appeared it was a small bag of coffee. I told Inmate Sullivan that he knows he is not supposed to have this, and placed the bag of coffee on the booking counter and proceeded chaining Inmates up for transport.</p> <p>-Dawson.</p>

4.17.18

On 4.17.18 at approximately 1750 hours, an adjudication hearing was held with USM Inmate Sullivan, Cyrus Andrew in booking with my assigned Columbia County Sheriff Office Axon Body Camera to record the hearing.

This hearing was held for write up 001611 on 04.14.18 @ 0645 hours.

Inmate Sullivan, Cyrus Andrew when asked to enter his plea on each rule violation, stated, "I'm not disputing the facts!" Inmate Sullivan was concerned about minor rule violation #125 other, actions that interfere with the safety and security and good order of the jail.

Inmate Sullivan was concerned about the actual description of contraband. We discussed the fact the coffee was not in the initial wrapper that it was purchased in, makes it contraband per the inmate manual. Also that the bulge in Inmate Sullivan's sock caused alarm to the Deputy, as there was really know way to know that it wasn't a weapon.

Minor rule violation # 100 Possession of nuisance contraband / Guilty 5 days consecutive to second minor rule violation.

Minor rule violation # 125 Action that interferes with the good order of the facility / Guilty 5 days with 3 days suspended, consecutive to first violation for a total of 7 days lock down with 30 days of probation. 4.14.18 thru 4.21.18 @ 0645 hours

Off lock down on 4.21.18 @ 0645 hours
