08/12/2017 1500 hrs #52945 Alex Mott	Sullivan came to 4F today from 4C. He spit on a deputy while the foodport was open in 4C. Use caution when opening his foodport. (MCDC - 4F)
08/12/2017 0810 hrs #46479 Antonio Lopezpalacios	Inmate Sullivan was given an order to clean his window during breakfast service. Beside having personal propaganda and graffiti on his window, he developed an entitle attitude and refused to comply. I told him I was not going to open his food port, until he cleaned his window, he did not. I then told him part of his conditions of confinement is to follow all directives from MCSO staff. I have worked with Sullivan in the past in 4F, and he always follow my directives, but for some reason today he decided it was a good idea not to do as order. He was given 30 minutes to do as order, but he did not. Sullivan lost is walk, and will be given a sack for lunch. (MCDC - Master)(Class Update 08/12/2017 1355 hrs - Closed)
08/09/2017 1001 hrs #38095 Jeff Magnuson	Sullivan has had no negative entries since his last review, he will be lowered to level 1. (MCDC - 4C)(Class Update 08/09/2017 1026 hrs - Closed)

08/01/2017 1551 hrs #35798 Tim Barker	Inmate Sullivan was told to not to talk to 4F throw the door and was slow to walk away. I thought I saw him passing notes under the door, So keep a eye on him. (MCDC - 4C)(Class Update 08/01/2017 1915 hrs - Closed)
08/01/2017 1218 hrs #38152 Steve Billesbach	Inmate had a review on 072617 and was lowered to Level 2 but Classification box wasn't checked. Next review date 080217. (MCDC - 4C)(Class Update 08/01/2017 1232 hrs - Closed)
07/29/2017 1446 hrs #52682 Andrew Grundmann	Lennon is a level two but refused his walk today. Freeman spent pretty much his whole walk time at female Christopher's 4F12 door even though her window was closed. Sullivan walked today without any issues. (MCDC - 4F)
07/28/2017 2301 hrs #30707 Daryl Hochderffer	apparently started up a newspaper subscription since he has been on disciplinary status. He is not allowed the papers (per inmate manual) and they have been placed in the 5C serveries in bin #24. He was informed of this and was given the yellow bin card for when he gets off disciplinary. (MCDC - 4F)
07/27/2017 1443 hrs #31638 Paul Simpson	All need walks. (MCDC - 4F)

07/22/2017 1330 hrs #54849 Elias Fernley	On first check, I noted 4F13 Sullivan had a piece of paper in his window that read "McVeigh should have parked here". I asked him to remove it, which he did with a chuckle. Since he removed it without any issues, he received his 15 minute walk later in the shift and did not cause any issues. (MCDC - 4F)
