Lol to anyone who's possibly concerned about the picture of me going around.... sorry I hate freedom? Sorry I fought hard for it and lost friends for it? 🤔 not like I did anything illegal, WAY too much to lose to go there but, y'all do what you feel you need to lol

And a foot note: I can protest for what I believe in and still support your protest for what you believe in 🤔 just saying....after all, I fought for your right to do it...
