The white liberal differs from the white conservative only in one way: the liberal is more deceitful than the conservative.

Both want power, but the white liberal is the one who has perfected the art of posing as the Negro's friend & benefactor.

CHRONO

08/06/2013 1258hrs (#19969 SHARON HUFFSTUTTER) - This is Sullivan's fifth MCSO custody. He was transported from COLU Co. this morning to stay until he R/U TUSM to Sheridan. He told me he was sentenced last month to 24 months on this conviction. He also showed me that court paperwork. Last year when Sullivan was in our custody a special management plan was put into place because of Sullivan's communications from inside MDCDC. Sullivan allegedly had chosen potential victims, the DA's office petitioned for and received a high bail enhancement, etc. One can refer to his previous chrono entries for further information. Intel Deputy Connelly was notified today of Sullivan's arrival, and has been in contact with the USM's office.

Sullivan had in his possession today pages of names that he labeled, "Fight Back Worksheet". Those pages had names of various people-including deputies, police officers, judges, businesses, etc. There were columns written for recording addresses, as well. I saw no personal addresses recorded, only those of two businesses. Deputy Connelly is following up with this information and Sgt. Morrison has been notified. I left a voice msg. for Capt. Lindstrand, sharing some of this information, as well.

Sullivan has no KS and received one MMC in March of this year, for FTDAO for not cuffing up, Disruptive and Disrespectful Behavior. Per Intel he will begin housing in 8C until further review.

08/06/2013 1306hrs (#19969 SHARON HUFFSTUTTER) - Dep. Connelly just phoned to tell me he is deferring to Classification for housing.
