Description of Incident :

On April 20, 2013 at approximately 2245, I was serving Sullivan, Cyrus his write up for his dirty UA. At the time I asked Mr. Sullivan if he was going to sign his paperwork and he kept saying that he did not do it and then finally said that he was not signing anything. This was at the first booking station. Mr. Sullivan then turned to the left facing the booking slider and threw his county issued cup at the slider window. Deputy Kernutt immediately placed the taser on him from the booking platform, I removed items from the desk quickly in case Mr. Sullivan decided to try and grab the items. I then went down the stairs and had the taser on him from the side. Deputy Watkins then gave the command to lay on the ground and place his hands out. I instructed him to cross his legs. Deputy Kernutt then came down and secured his legs. Deputy Watkins then placed handcuffs on Sullivan. Deputy Kernutt and Deputy Watkins then helped Sullivan to his feet and he was placed in the safety cell. They had him kneel on the floor and cross his legs facing the far wall. Sullivan complied. Deputy Kernutt then started to remove the handcuffs. I had the taser on him in case he made any sudden moves. Once the last cuff was off we exited the safety cell. After Sullivan was secured in the cell the cup was checked and it was broken at the handle and the door window was scuffed from the cup.

Sullivan was charged the price of the cup \$0.75 due to breaking it while throwing it as hard as he could.
