The federal goons sleep at the Marriot waterfront. If you were watching the videos and feeling powerless.

503.226.7600

Let them know how you feel about federal goons in Portland.

Individuals can get a room at the Marriot waterfront for about \$150.

Fog horns are about \$15.

Federal goons who shoot us at night are trying to sleep right now.

Replying to @TawasiSoce

These goons come out of their goon dens. We gotta be there then to tell them they are not welcome.
