Yes sir. No problem.

I have also spoken to Congressman Crowley's office. He is very aggressively pursuing this case through DOJ. His Chief of Staff is very familiar with me and my case. They also have Demer's number and information.

Mr Demer is an incredibly talented prosecutor, and a fantastic person. At the grand jury hearing a month ago, I cried tears of relief when Demer addressed the jury about my case. I've known him for years and he is my hero.

Mr Darling at Attorney General's office is competent as well.

But it's my belief - and been proven recently - that only Kevin Demer can successfully handle these sensitive cyber crime related issues. He's very special.

Sorry to bother you Mr Underhill.

Ms. K [REDACTED]

I have received your voicemail messages together with your e-mail. Today I met with Kevin Demer. Kevin assures me that he is working aggressively to try to help your situation. Please continue to consider him the primary point of contact for the District Attorney's Office. As you and I have discussed, Kevin is a very talented prosecutor that will do everything he can to help. He will also keep me updated and seek my assistance if I can be of any help to him as he works to help you.

Sincerely,  
Rod Underhill
